

DSOA THEATRE

ACTING MUSICAL THEATRE TECH

get it done!

PAY YOUR STUDENT ENRICHMENT CONTRIBUTION (SEC)

BY THE DUE DATE: September 30, 2019

Contributions made before September 13th will be recognized in the Annual Program

The Theatre Department asks each Theatre Family to contribute at least \$100 per student to the SEC Fund. Your tax deductible donation will help offset your student's Department expenses, including master classes, guest speakers, production costs, fieldtrips, and classroom supplies. This fund also allows the Dean to make quick, incidental purchases during crunch times. If \$100 is not realistic, please consider an amount that is. Every dollar helps!

THE GOAL IS 100% PARTICIPATION, AT ANY GIVING LEVEL!

STUDENT'S NAME: _____

- Enclosed is the \$100 Suggested SEC Donation
- I prefer to pay the \$100 Suggested SEC Donation in 3 Installments -
Enclosed is my first installment of \$34 (I will pay \$33 on Sept 1st & \$33 on October 1st)
- \$100 is not realistic, but enclosed is my SEC Donation of
- \$ _____ \$50 \$25 \$15

All Contributions made before September 13th will be recognized in the Annual Program

ADDITIONAL STUDENT ENRICHMENT CONTRIBUTION (SEC)

The Theatre Department asks for \$100 per Theatre Student but, if you would like to donate more, the Department would greatly benefit. Additional SEC funds mean more Guests Artists, more Master Classes, more Visiting Chorographers and more Guest Directors. And your donation may help less advantaged students have the same benefits as your own child. Your tax-deductible contribution will help the Theatre Department as a whole. **Contributions before September 13th will be recognized in the Program.**

Enclosed is an additional SEC Donation to support the Theatre Department—

- \$100 Recognition in Playbill
- \$250 + Signed Production Poster
- \$500 + Invitation to Cast & Crew Reception
- \$1000 + Invitation to Attend Rehearsal
- \$2500 + Invitation to Behind the Scenes of Fall Musical
- Other \$ _____

Total SEC Payment: \$100 Recommended SEC + Additional SEC = \$ _____
